Principal's News

The 2018-19 school year is off to a great start. The gym received a seismic update this summer/fall including a new roof and steel beams. All 2018 IB Diploma Candidates received their IB Diplomas and individual scores were above the world average. Fall Athletics performed well including our Boys Cross Country team who placed 2nd in State.

The GEAR UP Grant has supported college and career visits all over the state including a tour at Nike, Pacific University, and Lane Community College all including NHS Alumni stopping by or giving a tour. The 3rd Annual Trivia Night to fund college and career activities is January 19th and tables are still available.

Leadership students at NHS continue to do an excellent job of school spirit and community service activities. The annual Mr. & Ms. NHS Pageant will take place this spring to raise funds for Doernbecher's Children's Hospital.
