All Class Reunion 2019 -no officers were present- There were about 25-30 folks present.

Attic Storage clean up went good. Still quite a bit up there but is somewhat organized.

Rod Losier presented some of the scholarships winners on awards night. Mrs. Easley came as well to the awards night. It was suggested to perhaps find some pictures of awards night too.

New Business:

1. Discussion about Fundraising for scholarships. All agreed that the Dine out nights are a great idea and a successful way to raise funds. Alexis will reach out to Taphouse and Aubrey will reach out to Newport Brewing.
2. After discussion, it was decided to scrap August reunion and perhaps try to do something during the Lincoln County Fair in July. Idea was to have a booth at the fair -Aubrey will find out the cost for booth and will talk to the person in charge of fair booths.
3. We talked about 501-(c) (3) status- discussion about bylaws & rules for 501-(c) (3). Mr. Overholser was helpful in this since he served on the board previously.
